The informative hiking base, the UNESCO World Heritage Site, welcomes you directly on the cliff path of the island of Rügen.

In a picturesque glade in the middle of Jasmund National Park, hikers can find out more about the "Ancient Beech Forests" World Heritage Site in the free exhibition, enjoy a tasty snack and let the little ones explore the forest playground. The Waldhalle can be reached on foot or by bike and is located 2.5 km from Sassnitz and 6 km from the Königsstuhl.
